"FOR THE WORD OF GOD AND THE TESTIMONY OF JESUS CHRIST"

NOW AND THEN . .

NOW—May 7

THE NEW GYM

THEN—Sept. 15

THE NEW GYM

IF . . .

IF . . .

...the materials for construction arrive at the building site on time.

...the qualified workmen are available for the various construction tasks.

...sufficient funds are received to pay the construction bills! Over \$70,000 must be received in gifts before we can hope to finish this new student center. Some of this amount has been promised by friends of the college but these pledges do not nearly reach the required amount.

Our Cedarville students really want this new gymnasium. This desire has been demonstrated by the decision of the student body to assess each student a \$10.00 semester student union fee. Most colleges have this fixed by the administration but our students have given \$1100. toward the erection of the building. This indicates a willingness to sacrifice in order to bring their desires into reality.

Faculty members and students have traveled many miles with the president to attend banquets for men where the challenge of Cedarville College has been presented. This has been done gladly. Faculty members, along with the students, have given sacrificially of their substance.

The Board of Trustees has had vision and faith to begin the new gym, believing God will supply the need as He sees it. Our trustees have given of their time and money to help make the vision of Cedarville come true.

We believe this issue of the BULLETIN will be read by some

who can give to this project. Just think of it! If 1000 individuals or churches would give \$100 to the gym fund, this building project could go on through the summer unhindered and the student center would be ready by September 15. Many have already given \$100 and are members of our "OPPORTUNITY CLUB." How about you?
